cleaning products

Prochem cleaning products have a worldwide reputation for outstanding performance in the professional, commercial and institutional cleaning sectors.

Specialist products cover a whole range of requirements for carpets, upholstery, floors and surface cleaning technologies and maintenance. Formulations are developed in-house to meet strict performance, safety, quality and environmental criteria. Prochem Europe cleaning products are available from a network of selected distributors offering local supply, advice and training.

Safety and the Environment

Prochem Europe cleaning products shown in this catalogue are constantly assessed for user safety and environmental impact. Products comply with the European Classification, Labelling & Packaging (CLP) Regulations 1272/2008. Raw materials comply with the requirements of the Regulation, Evaluation, Authorization and Restriction of Chemicals (REACH) Regulations, as amended. Surfactants comply with the biodegradability requirements of the European Detergent Directive 648/2004. Active ingredients of biocidal products comply with the requirements of the EU Biocidal Products Regulations (BPR) 528/2012.

Prochem Europe cleaning products are intended for professional and industrial use only. Safety data sheets can be downloaded from our website www.prochem.co.uk

Carpet Presprays & Traffic Lane Cleaners

A range of specially formulated pre-treatments to help release heavy soil, oils and grease from carpet traffic lane areas before normal extraction or shampoo cleaning. Prochem presprays and traffic lane cleaners help prevent over-wetting and leave carpets bright and clean with minimal residue.

Contract Carpet Prespotter

A powerful low cost pre-spray and spot cleaner for heavily soiled and greasy carpets. Turquoise liquid with lavender fragrance.

Dilution 1 to 8 pH 10

Case Qty. 4 x 5L

Unit 5L Code S708-05

Multi Pro

Professional general purpose pre-spotter and traffic lane pre-spray for carpets. Excellent for draught marks and greasy areas. Apply by sprayer to all heavily soiled areas before machine cleaning. Turquoise blue liquid with citrus mint fragrance.

Dilution 1 to 8 pH 10.5

Case Qty. 4 x 5L

Unit 5L Code S709-05

Trafficlean

Industrial strength high concentrate formula with extra water soluble solvents for grease removal. Pre-test for colour fastness and apply to all heavily soiled and greasy areas of carpet prior to extraction cleaning. Turquoise green liquid with mint fragrance.

Dilution 1 to 10 pH 11

Case Qty. 4 x 5L

Unit 5L Code S710-05

Prespray Gold

A high concentrate professional strength pre-spray cleaner for wool, wool-mix, stain resistant nylon and other pH sensitive, wet-cleanable carpets, rugs and upholstery fabrics. WoolSafe approved maintenance product for wool carpets and rugs. Amber liquid with floral lemon fragrance.

Dilution 1 to 32 pH 8

Case Qty. 2 x 5L

Unit 5L Code B107-05

Ultraprep TLC

Premium concentrated pre-spray and traffic lane cleaner with 1 to 33 dilution. Powerful action with mild pH is suitable for most carpet types, subject to pre-testing. Green liquid with mintfresh fragrance.

Dilution 1 to 33 pH 9.4

Case Qty. 2 x 5L

Unit 5L Code S888-05

Power Burst

Enzyme-free high performance alkaline detergent pre-spray for pre-cleaning heavily soiled commercial carpet. Ideal for greasy restaurant carpets and traffic lanes where there is a high build-up of grease. Can be pre-diluted for use in injection sprayers. White powder with floral fragrance.

Dilution 1 to 66 with hot water pH 11

Case Qty. 2 x 4K

Unit 4K Code S789-04

Carpet Extraction Liquid Detergents

The industry's most comprehensive range of low foam carpet cleaning chemicals for use in hot water extraction cleaning equipment. Prochem liquid extraction detergents are quick acting emulsifiers that release and suspend soils to give maximum cleaning with minimum residue.

Contract Carpet Extraction Cleaner

A powerful, safe and economical low foam detergent concentrate for use in carpet soil extraction machines. Turquoise liquid with lavender fragrance.

Dilution 1 to 50 pH 9.5

Case Qty. 4 x 5L

Unit 5L Code S774-05

Extraction Plus

Professional low foam cleaning concentrate for carpet soil extraction machines. Clear and stable at high temperatures with anti-resoiling formula. Fluorescent green liquid with citrus fragrance.

Dilution 1 to 100 pH 9.5

Case Qty. 4 x 5L

Unit 5L Code S775-05

Fibre & Fabric Rinse

A professional acidic rinse agent for neutralising alkaline pre-sprays and stabilising colours. WoolSafe approved maintenance product for wool carpets and rugs. Prevents most colour bleed, yellowing and browning. Orange liquid with fresh orange peel fragrance.

Dilution 1 to 100 pH 4

Case Qty. 4 x 5L

Unit 5L Code B109-05

Extraclean

Advanced micro-encapsulation extraction cleaner for carpets, rugs and upholstery. Anti-resoiling formula with odour neutraliser. WoolSafe approved maintenance product for wool carpets and rugs. Yellow green liquid with lemon breeze fragrance.

Dilution 1 to 100 pH 8.5

Case Qty. 4 x 5L

Unit 5L Code B106-05

Liquid WoolSafe

An effective extraction cleaner for wool, stain resistant nylon and upholstery fabrics. WoolSafe approved maintenance product for wool carpets and rugs. Amber liquid with lemon floral fragrance.

Dilution 1 to 100 pH 8.5

Case Qty. 4 x 5L

Unit 5L Code S781-05

Carpetclean XL

High concentrate, phosphate-free extraction detergent for use in portable and truck-mounted extraction machines. Certified to AMS1631A for aircraft carpet cleaning. Dark green turquoise liquid with floral citrus fragrance.

Dilution 1 to 333 pH 9.5

Case Qty. 2 x 5L

Unit 5L Code S800-05

Carpet Extraction Powdered Detergents

Highly concentrated carpet extraction detergents in powder formulations for optimum results and greater economy. Ideal for use in contract cleaning and with truckmount units and high pressure extractors.

Dry Blend

Economical commercial extraction detergent, for use on synthetic carpets. Contains water softeners, builders, surfactant and corrosion inhibitor for safe and effective results. White powder with lemon fragrance.

Dilution 1 to 333 pH 10

Case Qty. 2 x 4K

Unit 4K Code S773-04

Crystal Green

Prochem's premium non-ionic carpet extraction detergent for spectacular results on tough, oily and greasy soils. Green powder with herbal lemon fragrance.

Dilution 1 to 666 pH 9.5

Case Qty. 2 x 4K

Unit 4K Code S777-04

Fibresafe Gold

A safe and effective powdered extraction detergent for wool, stain resistant nylon and upholstery fabrics. WoolSafe approved maintenance product for wool carpets and rugs. Fibresafe Gold incorporates a self neutralising pH system which reduces the risk of colour bleed, texture change and re-soiling. Yellow powder with green apple fragrance.

Dilution 1 to 333 pH 9

Case Qty. 2 x 4K

Unit 4K Code S780-04

Double Clean

A concentrated heavy-duty extraction detergent, formulated for optimum performance in cleaning heavily soiled carpets. Double Clean contains high quality anionic and non-ionic surfactants, alkaline builders and corrosion inhibitor. Blue powder with citrus mint fragrance.

Dilution 1 to 666 pH 10

Case Qty. 2 x 4K

Unit 4K Code S776-04

Heat Wave

Super-strength powder detergent for use in the most powerful truck mounts. Performs at high temperatures while maintaining stability and 100% clarity. Heat Wave's ingredients will not separate under high heat, reducing residual deposits and clogged wands. Light red powder with lemon floral fragrance.

Dilution 1 to 666 pH 9.5

Case Qty. 2 x 4K

Unit 4K Code S778-04

Carpet Maintenance Products

An extensive range of products for carpet and fabric maintenance and low moisture cleaning operations. Prochem carpet shampoos and maintenance cleaners incorporate the latest quick drying and anti-reseal chemistry.

Contract Carpet Foam Shampoo

An effective and economical blend of high foaming cleaning agents for use in carpet rotary and dry foam shampoo cleaning machines. Clear liquid with lavender fragrance.

Dilution 1 to 16 pH 7

Case Qty. 4 x 5L

Unit 5L Code B103-05

Fibre Shampoo

Professional high foam crystallising shampoo with micro-encapsulation formula, for carpet rotary and dry foam cleaning. Fibre Shampoo contains a buffered pH system to help prevent 'browning' and colour bleed and can also be used in conjunction with Prochem 'problem solver' additives. Clear liquid with lemon and lime fragrance.

Dilution 1 to 25 pH 7

Case Qty. 4 x 5L

Unit 5L Code B105-05

BEST
SELLER

Procaps

Soil encapsulating spray cleaner for interim carpet maintenance with cylindrical brush machine. Procaps leaves carpet clean and dry in 20 minutes with enhanced soil resistance. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with lemon & lime fragrance.

Dilution 1 to 16 pH 7

Case Qty. 2 x 5L

Unit 5L Code S745-05

Bonnet-Buff®

Low VOC formula concentrate with anti-soil properties for effective spray cleaning of carpets in conjunction with rotary carpet bonnet pads. Clear liquid with lemon and lavender fragrance.

Dilution 1 to 16 pH 9

Case Qty. 2 x 5L

Unit 5L Code B110-05

Pure Clean

Multi-purpose carpet cleaning powder with soap-free, enzyme-free and fragrance-free formula. Use in extraction, bonnet, spray cleaning and spotting for complete rinse and residue free cleaning. White fragrance free powder.

Dilution 1 to 66 pH 9

Case Qty. 2 x 4K

Unit 4K Code C409-04

Fiberdri®

A dry carpet cleaning compound based upon natural organic compound coated with biodegradable cleaning agents. WoolSafe approved maintenance product for wool carpets and rugs. Golden compound with floral fragrance. Ready to use in conjunction with PB14E, 380 DCS or Fiberdri TM4 carpet dry cleaning system.

Approx. coverage 15m² per kilo pH 6

Case Qty. 10 x 1K

Unit 1K Code C812

Unit 10K Code C803

Upholstery & Fine Fabric Products

For the most delicate upholstery fabrics and rugs, Prochem's fine fabric range includes low foam and high foam detergents, rinse agents, solvents and leather care products.

Prespray Gold

A high concentrate professional strength pre-spray cleaner for upholstery fabrics. WoolSafe approved maintenance product for wool carpets and rugs. Amber liquid with floral lemon fragrance.

Dilution 1 to 32 pH 8

Case Qty. 2 x 5L

Unit 5L Code B107-05

Fabric Restorer

Premium upholstery pre-spray with high concentrate blend of detergents, low odour solvents and anti-reseal agents, for use on grease, hair oil and body contact areas of wet cleanable fabrics. Clear liquid with citrus fragrance.

Dilution 1 to 16 pH 9

Case Qty. 2 x 5L

Unit 5L Code B108-05

BEST
SELLER

Fibre & Fabric Rinse

Acidic extraction rinse agent or post spray for neutralising alkaline pre-sprays, stabilising colours and preventing browning. WoolSafe approved maintenance product for wool carpets and rugs. Orange liquid with fresh orange peel fragrance.

Dilution 1 to 50 pH 4

Case Qty. 4 x 5L

Unit 5L Code B109-05

Fab Clean

Upholstery fabric extraction concentrate for use on wet cleanable colourfast fabrics. Contains a unique blend of low foam biodegradable surfactants. Turquoise liquid with green apple fragrance.

Dilution 1 to 66 pH 8.5

Case Qty. 4 x 5L

Unit 5L Code B145-05

Extraclean

Advanced micro-encapsulation extraction cleaner for carpets, rugs and upholstery. Anti-resealing formula with odour neutraliser. WoolSafe approved maintenance product for wool carpets and rugs. Yellow green liquid with lemon breeze fragrance.

Dilution 1 to 100 pH 8.5

Case Qty. 4 x 5L

Unit 5L Code B106-05

Safety Assured

Prochem upholstery cleaning products have been independently tested by a NAMAS accredited laboratory and have been shown not to adversely affect the ignition resistance of flame retarded fabric used as a composite in conjunction with specified foams.

Upholstery & Fine Fabric Products (continued)

Fibre Shampoo

High foam crystallising shampoo for dry foam and hand cleaning of fabric upholstery. Contains a buffered pH system to help prevent 'browning' and colour bleed. Clear liquid with lemon and lime fragrance.

Dilution 1 to 20 pH 7

Case Qty. 4 x 5L

Unit 5L Code B105-05

Leather Cleaner

Leather upholstery cleaner and conditioner with spray applicator. Contains speciality surfactants and neatsfoot oil. White liquid emulsion with light lemon fragrance.

Ready-to-use pH 6

Case Qty. 10 x 1L

Unit 1L spray Code E672-01

Leather Conditioner

Finishing treatment for cleaned leather upholstery, which replaces natural oils, restores suppleness and helps protect. Contains neatsfoot oil and conditioning agents. Tan liquid emulsion with leather and lemon fragrance.

Ready-to-use pH 6

Case Qty. 10 x 500ML

Unit 500ML Code E675-01

Fine Fabric Solvent Cleaner

Odourless mineral solvent for cleaning water sensitive fabric upholstery. Intended for use only by manual application according to label directions. Do not use for curtain cleaning. Do not heat or use in water or solvent spray extraction machines or recover with vacuum extraction. Clear solvent.

Ready-to-use.

Case Qty. 2 x 5L

Unit 5L Code B137-05

Solvent Cleaner Additive

Solvent soluble detergent concentrate which improves the effectiveness of Fine Fabric Solvent Cleaner for the removal of water-based soils. Clear solvent with lemon deodoriser fragrance.

Mix 100 ml. per 5 litres of Fine Fabric Solvent Cleaner.

Case Qty. 5 x 1L

Unit 1L Code B143-01

Deodorisers & Sanitisers

With specialist products for professional deodorisation, the Prochem range is user friendly and highly effective on difficult odours in carpets and fabrics. From smoke to urine, general musty odours and high performance sanitisers for disaster restoration, there is a Prochem product to solve the problem.

Lemon Refresh

Concentrated fragrance additive which can be added to extraction, shampoo or any general cleaning solution. Clear liquid with fresh lemon fragrance.

Dilution 1 to 100 pH 8

Case Qty. 5 x 1L

Unit 1L Code B117-01

Cherry Carpet Deodoriser

A powerful and pleasantly perfumed deodoriser formulated to destroy unpleasant odours in carpets. Can be diluted with water and pre-sprayed onto carpet or added to extraction or shampoo cleaning solutions. Pink liquid with cherry fragrance.

Dilution 1 to 50 pH 7.5

Case Qty. 4 x 5L

Unit 5L Code B224-05

Odour Fresh

Professional formula with high quality deodorisers which can be added to any carpet, fabric or general cleaning solution. Clear liquid with floral fragrance.

Dilution 1 to 100 pH 7.5

Case Qty. 4 x 5L

Unit 5L Code B124-05

Urine Neutraliser

Exclusive Prochem acidic deodorant for neutralising and deodorising urine by direct application. Neutralises odour from urine deposits on contact and prevents staining. Yellow tinted liquid with fresh fragrance.

Dilution 1 to 1 or ready-to-use pH 4

Case Qty. 10 x 1L

Unit 1L spray Code B153-01

Case Qty. 4 x 5L

Unit 5L Code B153-05

Neutra-Soft®

Developed exclusively for the healthcare market, Neutra-Soft® is an all-in-one carpet extraction cleaner, urine neutraliser, deodoriser and rinse agent. WoolSafe approved maintenance product for wool carpets and rugs. Pale green liquid with lemon & lime fragrance.

Dilution 1 to 100 or 1 to 20 pH 5

Case Qty. 4 x 5L

Unit 5L Code B112-05

Deodorisers & Sanitisers (continued)

Fresh Breeze Odour Neutraliser

New technology odour neutraliser concentrate for carpets, fabrics and professional restoration cleaning. Can be diluted with water and applied by sprayer or added to cleaning solutions. Micro-encapsulation formula with odour absorber. Clear blue tinted liquid with fresh fragrance.

Dilution 1 to 100 pH 7.5

Case Qty. 2 x 5L

Unit 5L Code B230-05

Smoke & Odour Neutraliser

Highly concentrated odour neutraliser for smoke and odour contaminated carpets, fabrics and hard surfaces. Apply by sprayer or fogger or add to cleaning solution. Contains no bactericides. Turquoise liquid with deodorant fragrance.

Dilution 1 to 100 pH 7.5

Case Qty. 5 x 1L

Unit 1L Code A222-01

Case Qty. 2 x 5L

Unit 5L Code A222-05

Biocides

Use biocides safely. Always read the label and product information before use.

Clensan®

Multi-surface sanitiser and deodoriser for carpets, upholstery, floors and hard surfaces. Effectively eliminates bacteria and odours caused by microbial spoilage. Dilute with water and apply by sprayer before rinsing. Clear liquid with herbal lemon fragrance. Approved to EN1276.

Dilution 1 to 20 pH 7.5 (5L) pH 6 (1L)

Case Qty. 10 x 1L

Unit 1L spray Code B125-01

Case Qty. 2 x 5L

Unit 5L Code B125-05

Microsan®

Multi-surface biocidal cleaner for carpets, upholstery, floors and hard surfaces. Effective against bacteria including MRSA and viruses including Hepatitis B and HIV. Also available in 1 litre ready-to-use spray. Approved to EN1276. Clear liquid with apple blossom fragrance.

Dilution 1:50 to 1:16 pH 9.5

Case Qty. 10 x 1L

Unit 1L spray Code D500-01

Case Qty. 2 x 5L

Unit 5L Code D500-05

Carpet & Fabric Protective Treatments

Exclusive protection products to ensure durable soil and stain resistance on new and freshly cleaned carpets and fabrics.

Fluoroseal® CF

Dual function carpet and upholstery protector based on cationic technology for durable soil and stain resistance. Suitable for use on most wet-cleanable carpets and fabrics. WoolSafe approved protector for wool carpets and rugs. White liquid. Coverage approx. 30m² to 50m² per 5 litres for carpets and 15m² per 1 litre for fabrics.

Ready-to-use pH 4

Case Qty. 2 x 5L

Unit 5L Code B130-05

Fabric Seal

Solvent based protector for the treatment of water sensitive fine fabrics. Fabric Seal should be applied by approved solvent applicator with suitable respiratory protection. Contains odourless mineral solvent and fluorocarbon protector which helps prevent staining from water and oil based stains. Clear solvent. Coverage approx. 80 to 100m² per 5 litres.

Ready-to-use

Case Qty. 2 x 5L

Unit 5L Code B128-05

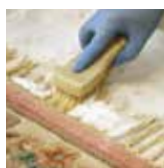

Shockaway

Anti-static treatment for carpets where static electricity build-up is a problem. Shockaway leaves a non-sticky coating which conducts the electrical charge away from the fibre surface. Apply by low pressure spray applicator to clean vacuumed carpet. Clear liquid. Coverage approx. 50m² per 5 litres of mixed solution (450m² per 5 litres of concentrate).

Dilution 1 to 8 pH 8

Case Qty. 4 x 5L

Unit 5L Code B194-05

Problem Solvers & Additives

Essential problem solvers for the professional carpet and fabric care specialist. From defoamers to oxidising boosters, solvent additives and debrowning solutions.

Ultrapac Renovate

Special pre-spray product for the removal of dry soot, carbon, fire residues, filtration soils and draught marks on carpets, fabrics and other surfaces. Highly effective on polypropylene (olefin) carpets as a pre-spray and in conjunction with B151 Oxibrite. Cationic solvent free formula "pulls out" soils by neutralising electrical charge and deodorises on application. Red liquid with floral fragrance.

Dilution 1:100 to 1:20 pH 10.5

Case Qty. 4 x 5L

Unit 5L Code A217-05

Citra-Boost

A professional strength solvent based cleaning additive which can be added to pre-spray, extraction detergent or rotary shampoo solutions to boost cleaning power for tough jobs.

Citra-Boost gives more power to remove oily and greasy soil, asphalt track-in, food soil and many other difficult soils on carpet and wet-cleanable upholstery. Peach liquid with orange citrus fragrance.

Dilution 1:2000 to 1:66

Case Qty. 5 x 1L

Unit 1L Code B845-01

Liquid Defoamer

High quality professional anti-foam concentrate for extraction machine recovery tanks. Contains high concentrate of powerful silicone emulsion which counteracts foam from previous shampoo residues. White liquid with mild odour.

Dilution 1 to 500 or as required.

Case Qty. 4 x 5L

Unit 5L Code S760-05

Oxibrite

Oxidising additive for white, off-white and pastel coloured fibres and fabrics. Can be added to extraction solution or, for best results, use in conjunction with B105 Fibre Shampoo and B162 Fibrebuff and leave to dry. Can be used for 'last resort' treatment of difficult tea and coffee stains. Oxibrite produces controlled 'bleaching' and therefore should be used with caution on all fibres. White powder.

Oxidising solid category 2. Acute oral toxicity category 4.

Serious eye damage category 1.

Dilution 15 to 30ml per 5 litres pH 10.5

Case Qty. 4 x 1K

Unit 1K Code B151-02

Contract Carpet Defoamer

An economical anti-foam agent for carpet extraction machine recovery tanks. Off-white liquid with mild odour.

Dilution 1 to 250 or as required

Case Qty. 4 x 5 L

Unit 5L Code S761-05

Powdered Defoamer

Economical powdered defoaming agent which can be pre-diluted and added into waste tanks, prior to extraction cleaning. Contains pure silicone anti-foam and inert ingredients. White moist powder.

Dilution as required.

Case Qty. 2 x 4K

Unit 4K Code S762-02

Fibrebuff

Acidic powder additive for use in combination with B151 Oxibrite and B105 Fibre Shampoo when removing 'browning' stains or cleaning water damaged carpet. White powder.

Dilution 30 to 60ml per 5 litres pH 4.5

Case Qty. 4 x 1K

Unit 1K Code B162-02

Browning Prescription

Special formula for treating jute browning and large areas of water damage staining on carpets. Contains anti-browning and anti-yellowing agents. Dilute with water and apply by sprayer or add to B105 Fibre Shampoo for rotary brush application, then extract with water. Clear liquid.

Dilution 1:10 to 1:5 parts water pH 2.5

Case Qty. 4 x 5L

Unit 5L Code B175-05

Spot & Stain Removers

With specialist products and a professional spotting kit, the Prochem spot and stain remover range has tried and tested formulations to deal with most spot and stain problems.

Neutral Pro-Spotter

A professional neutral pH spotter effective on most food, drink and general water-based stains. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with floral fragrance.

Ready-to-use pH 7.5

Case Qty. 10 x 1L

Unit 1L spray Code B122-01

Stain Pro

Heavy duty water and solvent based alkaline protein spotter for blood, vomit, wine, ink, fresh tea and coffee and most food based stains. Clear liquid with mint fragrance.

Ready-to-use pH 10.5

Case Qty. 10 x 1L

Unit 1L spray Code B144-01

Case Qty. 4 x 5L

Unit 5L Code B144-05

Filter-Out

Filter-Out removes air filtration soil lines along walls and doorways, near heating and air conditioning vents. Exclusive Prochem technology defeats the particle charge attraction, allowing soils to be extracted away. Also removes toner spills, carbon, soot and other charged particle soils. Green liquid with floral fragrance.

Ready to use pH 10

Case Qty. 10 x 1L

Unit 1L spray Code B171-01

Coffee Stain Remover

Specially formulated ready-to-use acidic spotter for tea, coffee, beer, tannin, water marks and other yellow and brown discolorations on carpet and fabric. Clear liquid with lemon fragrance.

Ready-to-use pH 2.5

Case Qty. 10 x 1L

Unit 1L spray Code B195-01

Case Qty. 4 x 5L

Unit 5L Code B195-05

Red Rx

Developed exclusively to remove red food colourings, carbonated drinks, fruit juices and wine stains from carpet and fabrics. Effective with wet towel and hot iron method as directed on label. Straw liquid with lemon fragrance.

Dilution 1 to 1 or ready-to-use pH 8.5

Case Qty. 5 x 1L

Unit 1L Code E400-01

Rust Remover

An effective acidic gel for the removal of rust, iron mould and old blood stains on carpet and fabric. Much safer to use than strong acid products and does not require chemical neutralisation. Clear viscous liquid.

Ready-to-use pH 1

Case Qty. 10 x 1L

Unit 1L Code B198-01

Citrus Gel

A citrus solvent and detergent based liquid gel spot remover for oil, grease, tar, gum and other oily spots on carpet and fabrics. Citrus Gel can be used safely on many spots and stains and is formulated to work on the fibre surface avoiding problems to latex and bitumen backings which commonly occur with other citrus based solvents. White gel with citrus fragrance. Ready-to-use pH 5

Case Qty. 5 x 1L

Unit 1L Code E840-01

Solvall Spotter

A high performance volatile dry solvent for general spot cleaning of oil, grease, adhesives, tar, gum, oil-based paints and many other solvent soluble stains on carpets and fabrics. Clear solvent with light orange fragrance.

Ready-to-use

Case Qty. 5 x 1L

Unit 1L Code B123-01

Case Qty. 2 x 5L

Unit 5L Code B123-05

Ink Solv

A water-based micro-emulsion spotter for nail polish, marker pen ink and PVA adhesive on carpets, fabrics and other surfaces. Clear liquid with mild aromatic odour.

Ready-to-use pH 7.5

Case Qty. 10 x 500ML

Unit 500ML Code E848-01

Solvex

A water-rinseable, non-volatile blend of penetrating solvents and detergents for gloss and emulsion paints, nail polish, varnish and solvent soluble inks on carpets, fabrics and other surfaces. Clear solvent with aromatic odour.

Ready-to-use

Case Qty. 5 x 1L

Unit 1L Code A277-01

Spot & Stain Removers (continued)

'PSK' Professional Spotting Kit

A complete professional kit including a comprehensive range of Prochem chemical spotters and spotting accessories contained in a tough water resistant plastic case. Products may be replenished from the standard Prochem range and individual trigger sprayers may be filled and stored beneath the hinged lid. The following spots and stains can be treated with the 'PSK' kit: Most food and beverage, blood, oil, grease, cosmetics, adhesive, wine, rust, paint, chewing gum, nail polish, ink and many other common commercial and household spots and stains. Prochem's 'PSK' is an essential item for every professional cleaner.

Chemicals: Solvex, Neutral Pro-Spotter with spray, Solvall Spotter, Rust Remover, Coffee Stain Remover with spray, Red Rx, Citrus Gel, Ink Solv, Stain Pro with spray, Urine Neutraliser with spray

Accessories: White Terry Towel, pH Test Paper Colour Coded Reel, Chewing Gum Perforator, Spotting Brush, Neoprene Gloves, Foil Furniture Pads (1000), Stain Removal Guide (Contents may vary with the introduction of new spotting agents).

'PSK' Professional Spotting Kit

Code PR3401

Natural Range

High performance environmentally safe products with the latest eco surfactant formulations and natural lemongrass, eucalyptus and tea tree signature herbal fragrance.

Natural Carpet Cleaner

Carpet extraction cleaning concentrate with encapsulation technology and gentle pH, for cleaning most types of carpets and rugs. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with natural lemongrass and herbal fragrance.

Dilution 1 to 100 pH 7.5

Case Qty. 10 x 1L

Unit 1L Code E772-01

Case Qty. 2 x 5L

Unit 5L Code E772-05

Natural Carpet Prespray

Biodegradable concentrate with eco surfactant, for pre-treating heavily soiled areas of carpets. Incorporates encapsulation technology to help prevent sticky residues that may attract soil. Mild pH is suitable for applying to most carpets and rugs. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with natural lemongrass and herbal fragrance.

Dilution 1 to 10 pH 8

Case Qty. 2 x 5L

Unit 5L Code E717-05

Natural Carpet Rinse

A mildly acidic professional carpet rinse with eco surfactant, Natural Carpet Rinse also incorporates polymer technology to help prevent residues that may attract soil. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with natural lemongrass and herbal fragrance.

Dilution 1 to 100 pH 5.5

Case Qty. 2 x 5L

Unit 5L Code E157-05

Natural Carpet Spotter

A neutral pH spot cleaner for removing a wide variety of spots and stains from carpet. Contains polymer encapsulation technology to prevent sticky residues. Biodegradable, phosphate free with eco surfactant. WoolSafe approved maintenance product for wool carpets and rugs. Clear liquid with natural lemongrass and herbal fragrance.

Ready-to-use pH 8

Case Qty. 10 x 1L

Unit 1L spray Code E343-01

Natural Carpet Deodoriser

A powerful biological deodoriser for carpets based on natural biological cultures that digest organic odours in carpets. Effective against urine and other offensive odours. Contains encapsulation technology to prevent sticky residues. Spray directly onto odour contaminated carpet. Clear liquid with lavender, orange and peppermint fragrance.

Ready-to-use pH 8

Case Qty. 10 x 1L

Unit 1L spray Code E247-01

Natural Multi-Surface Floor Cleaner

Powerful multi-surface neutral pH floor cleaning concentrate, suitable for most floor surfaces including vinyl, linoleum, natural stone, marble, limestone, terrazzo, granite and ceramic tile. Biodegradable and phosphate free with eco surfactant. Clear liquid with natural lemongrass and herbal fragrance.

Dilution 1 to 20 pH 7.5

Case Qty. 2 x 5L

Unit 5L Code E457-05

Hard Surface & Floor Maintenance Products

Specialist products for smooth resilient flooring, safety flooring, stone & tile and floor maintenance including, emulsion polish stripper, acrylic and fluoropolymer seals, dry bright emulsion polish, and floor maintainer.

Alkleen

Universal free rinsing alkaline cleaner for floors and all washable surfaces. Can be applied by rotary or scrubber-drier floor machine or sprayer. Turquoise blue liquid with citrus fragrance.

Dilution 1 to 20 pH 9.5

Case Qty. 4 x 5L

Unit 5L Code A250-05

Stone & Tile Clean

Formulated mildly acidic stone and tile cleaner for quarry tiles, ceramic tiles and grout. Stoneclean will help remove soil, grease, limescale and grout residues. Clear orange tinted liquid with fresh mint fragrance.

Dilution 1:50 to 1:4 pH 2.5

Case Qty. 4 x 5L

Unit 5L Code A257-05

Ultrapac Renovate

A highly concentrated multi-surface cleaner for the removal of ingrained soils, carbon, soot, fire residues and rubber on hard and semi-porous surfaces. Excellent cleaner for fire restoration and safety flooring. Red liquid with floral fragrance

Dilution 1 to 50 pH 10.5

Case Qty. 4 x 5L

Unit 5L Code A217-05

BEST SELLER

Powerclean

Wide range, high strength alkaline cleaner for oils, grease and heavy soiling. Suitable for use in pressure washers, floor scrubber-driers and rotary scrubbing machines. Dark blue liquid with light pine and mint fragrance.

Dilution 1 to 50 pH 12

Case Qty. 4 x 5L

Unit 5L Code D488-05

Prostrip

Ammonia free floor polish stripper and cleaner for the removal of old metallised emulsion polish. Can be applied with mop or rotary scrubbing machine. Dark blue liquid with mild odour.

Dilution 1 to 8 pH 12

Case Qty. 4 x 5L

Unit 5L Code C501-05

Prorinse

Acidic rinsing agent for neutralising alkaline floor polish stripper before applying new emulsion polish. Prevents reaction and powdering of new polish. Orange liquid.

Dilution 1 to 20 pH 3.5

Case Qty. 4 x 5L

Unit 5L Code C255-05

Protreat

Neutral pH polyethylene wax-based floor maintainer for damp mopping and spray buffing of vinyl, thermoplastic and stone floors. Produces a rich buffable slip resistant shine on sealed floors. Pink emulsion with floral fragrance.

Dilution 1 to 40 pH 8

Case Qty. 4 x 5L

Unit 5L Code C502-05

Proshine

High gloss, metallised emulsion, self-shining polish for vinyl, thermoplastic and sealed floors. Contains high solids polymer for a long lasting deep slip resistant shine. Two or three thin coats are recommended for best results. White emulsion with acrylic odour.

Coverage approx. 250m² per 5 litres per coat.

Ready-to-use pH 9

Case Qty. 2 x 5L

Unit 5L Code C503-05

Proseal

A water-based acrylic seal for vinyl, rubber, asphalt, terrazzo, linoleum and semi-porous floor surfaces. Provides base-coat seal with satin finish which can be top-coated with Proshine if required. White emulsion with acrylic odour.

Coverage approx. 150m² per 5 litres per coat.

Ready-to-use pH 8.5

Case Qty. 2 x 5L

Unit 5L Code R602-05

Stone Seal

Water-based fluorocarbon oil and water repellent penetrative seal for terracotta, sandstone, concrete, grout, brick and other porous floor surfaces. Does not change the appearance of natural stone. Apply by brush, roller or mop. Clear liquid with mild acrylic odour.

Ready-to-use pH 5

Case Qty. 2 x 5L

Unit 5L Code R603-05

The Prochem brand has been synonymous with quality cleaning equipment for over 40 years. In particular, Prochem is industry renowned for professional portable carpet and fabric upholstery soil extraction machines.

A comprehensive range of carpet and upholstery cleaning equipment is available, from compact spot cleaning extractors to the most powerful dual vacuum extraction equipment with optional heat exchanger. Prochem machines are available from a network of selected distributors offering initial set-up, training and local after-sales service.

Safety and the Environment

Safety and the environment are a priority and Prochem machines are CE certified under the Low Voltage (LVD) Directive (93/68/EEC) as amended and as applicable to each machine. Prochem machinery is registered with a scheme compliant with the European Directive (2002/96/EC) on Waste Electrical and Electronic Equipment (WEEE) (Prochem EEE Producer Registration No: WEE / AJ0044SY). Prochem machines comply with the European Directive (2012/19/EU) Restriction of use of certain Hazardous Substances in Electrical and Electronic Equipment (RoHS2).

Prochem machines are intended for professional and industrial use only. Service manuals and spare parts lists can be downloaded from our website www.prochem.co.uk

Bravo Spotter
Portable carpet & upholstery spot cleaning machine

The lightweight 'granite' finish Bravo Spotter delivers incredible efficiency and power in a deceptively small package. No set-up time - simply unload and begin cleaning immediately. Compact size and manoeuvrability make the Bravo Spotter ideal for spotting and quick cleaning of small carpeted areas, upholstery and car interiors.

Operators will appreciate the specially designed moulded-in holders that carry spray bottles, leaving the hands free.

Over time it's a winner too, thanks to the upright mounted vacuum motor and oversized recovery tank that combine to ensure longer motor life. The Bravo Spotter comes complete with a hose assembly and dual purpose hand and upholstery tool so it's ready to go when you are.

FEATURES

- Moulded-in spray bottle holders.
- Pull-up transport handle and cable wrap.
- Carry-along handle increases portability.
- Small and light enough to carry with one hand.
- Quickly opens up for easy access.
- Large porthole for easy access to recovery tank.

ORDER CODE

BV100 Bravo Spotter complete with hand tool and hoses

PM2501 Hand / upholstery tool (without hose; replacement only)

Bravo Plus
Portable carpet & upholstery cleaning machine

The Bravo Plus features a larger capacity solution tank for cleaning of small carpeted areas using the lightweight stainless steel carpet wand and hose assembly supplied with the machine. The hand / upholstery tool is an optional extra with the Bravo Plus.

FEATURES

- Moulded-in spray bottle holders.
- Pull-up transport handle and cable wrap.
- Carry-along handle increases portability.
- Larger capacity solution tank for carpet cleaning with wand.
- Supplied complete with wand and hoses.
- Large porthole for easy access to recovery tank.
- Optional hand / upholstery tool.

Comet

Upright self-contained power brush carpet & upholstery cleaning machine

The Comet is a low cost, self-contained carpet extraction cleaner with powerful brush agitation to clean carpets. It weighs only 18 kilos so it's light enough for anyone to handle, plus the compact body design and fold-down handle make it easy to transport and store. Remove two safety screws and the machine opens like a clamshell for fast service.

The Comet is small enough to clean in tight spaces and corners yet powerful enough to perform well in any situation. A revolutionary bladder design eliminates the need to pour solution into the machine. Simply fill the bucket, set it on the machine, close the lid and begin cleaning.

FEATURES

- Patented self-adjusting, self-levelling brush.
- Optional hand / upholstery tool.
- Handle adjusts to operator height and folds down for easy storage.
- Patented lift-off bucket makes filling and emptying easy and convenient.
- See-through recovery dome.
- Side extension cleans right up to skirting boards.
- Upright vacuum motor and diaphragm pump for longer life.
- Free training voucher with this machine.

Fivestar

Upright self-contained power brush carpet, floor & upholstery cleaning machine

A highly compact and portable high performance carpet and floor cleaning machine, the Prochem Fivestar upright extractor enables any operator to achieve professional results and quick drying with the minimum of effort. The Fivestar can also clean fabric upholstery with the optional upholstery tool as well as hard floors, tiles and grout with the built in 'All-Floor' feature.

A completely self-contained design, combining a powerful pump and vacuum system with a power driven self-adjusting brush, means that there are no hoses or wands to attach.

FEATURES

- Patented self-adjusting, self-levelling brush and vacuum shoe for easy cleaning of all types of carpet.
- All-Floor solution control valve as standard.
- Optional hand tool attaches to back of unit for cleaning stairs, edges and upholstery.
- Handle adjusts to operator height and folds down for easy storage.
- Patented lift-off bucket makes filling and emptying easy and convenient.
- See-through recovery dome.
- Side extension cleans right up to skirting boards.
- Upright mounted motor and intercooler system combine for long-lasting operation.
- Free training voucher with this machine.

Polaris

Upright self-contained power brush carpet & upholstery cleaning machines

Prochem's state-of-the-art self-contained carpet soil extractors provide unequalled features for the institutional and commercial carpet cleaner. Whatever your priority, there's a Polaris self-contained extractor with powerbrush that's right for you. The Polaris 800 & 1200 have the cleaning power to tackle large open areas, yet handle like lightweights. The Polaris 500 & 700 offer unrivalled portability, ease of operation and performance.

FEATURES

- Full floating and self-levelling cylindrical power brush, eliminates the need for continual manual adjustment.
- Choice of four models, with single or twin vacuum motors.
- 120 psi diaphragm pump.
- Increased vacuum airflow reduces drying times and gives faster cleaning, up to 300 sq.metres per hour.
- Hinged body, provides safe, quick and easy access to all internal components.
- Optional carpet wand or hand tool, can be attached for immediate use.
- Patented four-wheel design, allows pivoting on front or rear wheels for increased manoeuvrability.
- Fully adjustable handle, suits any operator.
- 70 decibel silencer fitted as standard, ideal for 'quiet cleaning areas.'
- 'See-thru' recovery dome and easy lift-off buckets, no hoses to detach.
- Free training voucher with these machines.

Galaxy

Professional compact carpet & upholstery cleaning machine

The Galaxy portable extractor is the perfect machine for residential and institutional cleaning of carpets, rugs and upholstery. With a compact design and lightweight yet durable hi-tech construction the Galaxy packs a powerful punch. With a powerful 2-stage vacuum and 120psi pump the Galaxy delivers the same cleaning performance as much larger machines. The Galaxy is perfect for in-house cleaning as well as car valeting, spotting and small area commercial cleaning. The Galaxy now has the option to fit the Heat 'n' Run in-line heat exchanger. This machine comes complete with hoses and 25cm (10") carpet wand.

FEATURES

- Lightweight and compact design fits easily into small vehicles
- 120 psi diaphragm pump
- 2-stage vacuum
- Stylish design with 'granite' scuff-resistant finish
- Folding handle
- Automatic vacuum shut-off
- Clip-on in-line heater (optional)
- Free training voucher with this machine.

Steempro Powerflo

Professional carpet & upholstery cleaning machine

The scuff-resistant 'granite' finish Steempro Powerflo is the ideal carpet soil extractor for residential and commercial carpet and upholstery cleaning. The durable and reliable Steempro Powerflo incorporates a 3-stage vacuum and 120 psi diaphragm pump. The internal 'whisper quiet' silencer makes it one of the most powerful yet quiet portable extractors in the world. The optional Heat 'n' Run in-line heat exchanger provides continuous hot cleaning solution.

The machine comes complete with hoses and single jet Glidemaster stainless steel wand.

FEATURES

- Upright mounted motors and intercooler give long life and durability
- 120 psi diaphragm pump
- 3-stage vacuum
- Opens quickly for easy access to internal components
- 'Whisper quiet' in-built silencer
- Top handle-mounted switches
- Automatic vacuum shut-off

CR2 Multi-Surface

Hard surface, carpet & upholstery cleaning machine

The new CR2 multi-surface cleaning machine combines a pressure washer with a powerful vacuum system for "Touch-Free" cleaning that effectively deep cleans restrooms in public facilities. Where traditional methods of cleaning like mopping are ineffective, the CR2 breaks loose dirt and grime from porous surfaces and hard to reach areas so it can be effectively removed with the squeegee and vacuum system.

The CR2 comes equipped with a powerful 500 psi pump with built-in auto-chemical feed system for cleaning and pressure washing, a 3-stage vacuum system with for quick and effective water and soil recovery, and a built-in hose and wand caddy system to easily transport the machine and all the necessary tools to the job site.

For complete versatility, the optional Heat 'n' Run system can be used to boost cleaning performance and the optional carpet and upholstery cleaning accessories can be utilised with the CR2 to make the machine a true multi-surface restoration system.

FEATURES

- Complete Touch-Free cleaning system
- Includes hoses, floor squeegee wand, pressure gun, quick drier tool and gulper tool
- Built-in auto chemical feed system for accurate metering
- 500 psi piston pump
- 3-stage vacuum
- Optional "clip-on" heating system
- Optional accessories for carpet and upholstery cleaning
- Free training voucher with this machine.

Endeavor 500

Professional carpet & upholstery cleaning machine

The Endeavor 500 is packed with a host of features to give you the power, performance and convenience in a state-of-the-art extractor design. Featuring a high pressure 500 psi induction drive piston pump and high airflow 8.4" vacuum motor, the Endeavor 500 matches the performance of a small truck mount unit.

Specifications include handle mounted wheels for easy vehicle loading, top front-mounted controls and front-mounted wand stowage. With fully controllable solution pressure, the Endeavor 500 provides fast high power portable carpet cleaning with the flexibility to reduce solution pressure for smaller jobs and upholstery cleaning.

The Endeavor also features a slide-in version of Prochem's advanced Heat 'n' Run in-line stainless steel heat exchanger. The machine comes complete with hoses and 2-jet Glidemaster stainless steel wand fitted with Teflon wand glide.

FEATURES

- Single 8.4" high airflow low-noise "Infinity" vacuum
- 500 psi induction piston pump
- 2.8 kw heater fitted as standard
- Electronic automatic vacuum shut-off
- Pressure regulator and gauge
- Front mounted control panel
- Handle mounted wheels for easy vehicle loading
- Front mounted wand holder
- Teflon wand glide and stainless steel spray tips
- Free training voucher with this machine.

Heaters

Heat 'N' Run

Self-contained 2.8 kw in-line heater designed exclusively for the Steempro and Galaxy range of carpet soil extractors. High capacity stainless steel heat tube with 65°C thermostat and resettable hi-limit safety thermostat. Provides constant hot cleaning solution and conforms to CE requirements for isolated electrical unit.

25 ft power cable, illuminated rocker switch and heat indicator lamp. Fits Steempro heater mounting plates. For use only with Steempro machines fitted with high pressure relief valve.

Code AC3001

Hand Tools

Glidemaster hand tool

A heavy duty stainless steel extraction hand tool for cleaning stairs, edges and heavy staining. 10 cm (4") head with 04 spray nozzle.

Code AC1021

"Easy-grip" stainless steel upholstery tool

Professional stainless steel upholstery tool with 1.8 m (6 ft) internal solution hose, vacuum hose and external 02 spray tip.

Code PM2502

Heavy duty stair tool

Stainless steel 15 cm (6") wide stair tool with long handle, grip and 06 spray tip.

Code PM2503

Curtain tool

Stainless steel curtain cleaning tool with 15 cm (6") perforated vacuum nozzle and 01 fine spray tip. (Only for use in conjunction with water extraction cleaning of washable curtains).

Code PM2504

Swivel head stair tool

Innovative stair tool which allows you to clean stairs without turning or twisting your arms and wrists. Long 76 cm (30") handle with swivel head and single jet.

Code PM2506

Auto detailer

Durable stainless steel tool specially designed to clean effectively in tight spaces.

Code AC1039

Plastic detailer

Lower cost version of auto detailer with durable plastic head to monitor recovery (suitable for low heat solution only).

Code PM2501

Wands

Glidemaster 25 cm (10"), single jet

Lightweight 'scrub-type' stainless steel wand with insulated handle and trigger, heavy duty valve, quick connect and single spray tip.

Code AC1030

Glidemaster 30 cm (12"), single jet

Lightweight 'scrub-type' stainless steel wand with insulated handle and trigger, heavy duty valve, quick connect and single spray tip.

Code AC1033

Glidemaster 30 cm (12"), 2-jet S-bend

Professional carpet cleaning wand with insulated handle and trigger "swan neck" head, metal solution tubing and dual spray tips.

Code AC1034

S-bend stair wand

Short 36" handle 2-jet wand for easy cleaning of stair treads.

Code AC1035

Teflon wand glide

Clip-on accessory for Glidemaster 30 cm (12") wands for smooth glide performance over all types of carpet.

Code AC1012

Hard floor squeegee / scrub wand

30 cm swivel head, hard surface cleaning wand with 180 degree brush and squeegee action with single jet.

Code PM2505

Powermate 1200

Lightweight easy-to-manoeuvre extraction machine powerwand with self-levelling cylindrical 2500 rpm brush, 12" vacuum head and 25 ft. power cable.

Code AC1204

Hoses

Vacuum & solution hose assembly

7.6 m (25 ft) vacuum and solution extension hose assembly fitted with high pressure rated hose for use with Heat 'n' Run system, male and female quick connects and metal vacuum hose connector.

Code PR3005E-H

Large mesh hose bag

Lightweight mesh bag, suitable for 4.6 m (15 ft) and 7.6 m (25 ft) hose assembly.

Code AC1044

truck mount cleaning systems

Prochem pioneered the development of engine powered truck mounted extraction carpet cleaning machines over 50 years ago.

Using only the best quality components and engineering excellence, Prochem and Sapphire Scientific truck mounts provide cleaning performance with long lasting durability for the professional and commercial cleaner worldwide. Applications include residential, commercial, airline and cruise ship cleaning where high performance soil extraction and fast drying are a priority. Excess moisture, noise and contaminants are eliminated from the cleaning environment, making 'truck mounted' carpet cleaning the fastest growing and most talked about cleaning method in the industry today.

Prochem and Sapphire Scientific truck mounts are available direct from Prochem Europe including installation, training and after-sales service.

Safety and the Environment

Prochem and Sapphire Scientific truck mounts are CE certified under the Machinery Directive (98/37/EC) as amended. Surfactants contained in Prochem Europe truck mount cleaning formulations comply with the biodegradability requirements of the European Detergent Directive 648/2004. Waste pump-out and drainage outlet systems are designed to discharge cleaning effluent to a sewage drain, which is linked to a local sewage and waste treatment facility. Prochem truck mounts are intended for professional and industrial use only. Service manuals and spare parts lists can be downloaded from our website www.prochem.co.uk

Sapphire Rage Truck mounted carpet & upholstery cleaning system

The Sapphire Rage with air-cooled belt drive system is perfect for a start-up truck mount based carpet cleaning business or an upgrade from portables to truck mount performance. The Sapphire Rage is built with high quality no compromise components and delivers superior heat and state-of-the-art engineering in an affordable package..

FEATURES

- Easy to operate and maintain
- Space saving narrow profile – only 17" wide
- Adjustable 1000 psi solution pump with clutch
- Drive belt cooling system

STANDARD EQUIPMENT

- Low profile 12" 4-jet titanium alloy carpet wand
- 2 x 15 m (50 ft) 6.3 mm (0.25") pressure hose
- 2 x 15 m (50 ft) 50 mm (2") vacuum hose and connector
- 1 x 15 m (50 ft) 19 mm (0.75") inlet water hose
- Complete installation and operator training
- Operation and service manual

Blazer GT 2017

Truck mounted carpet & upholstery cleaning system

Compact, simple and affordable, the Blazer GT is perfect for upgrading from a portable electric machine. The engine powered unit provides powerful vacuum, solution pressure and heat to the carpet cleaning wand at a distance of up to 76 m (250 ft) from the vehicle. Totally self-contained the Blazer GT utilizes durable components and Prochem's patented heat exchange system.

FEATURES

- **Automatic fill and chemical injection system** with stainless steel pump
- **Patented heat exchanger** provides continuous hot cleaning solution
- **Complete system fully fitted** by Prochem engineers
- **Noiseless operation inside job site** – no bucket filling or chemical mixing
- **Low maintenance** and high reliability
- **Quick release cover** and front panel for easy maintenance

STANDARD EQUIPMENT

- 12" 2-jet S-bend stainless steel carpet wand
- 2 x 15 m (50 ft) 6.3 mm (0.25 in) pressure hose
- 2 x 15 m (50 ft) 50 mm (2 in) vacuum hose and connector
- 1 x 15 m (50 ft) 19 mm (0.75 in) inlet water hose
- Complete installation and operator training
- Operation and service manual

Legend GT 2018

Truck mounted carpet & upholstery cleaning system

The latest model Legend GT 2018 builds on the Legend's solid legacy of price, performance and dependability. Now delivering even better performance and longer life with single-stage finned tube exhaust heat exchange, a corrosion-resistant aluminum frame, and a new oil cooler, the 2018 model combines the latest truckmount technology with the Legend's proven track record.

FEATURES

- **Front panel waste pump-out switch.** Convenient - operate optional waste pump-out from front of machine.
- **Simplified control panel.** Easy to operate. Front lower panel can be removed quickly for maintenance.
- **Stainless steel chemical pump.** Durable chemical pump resists corrosion to provide long service life.
- **Pulse isolating hose** reduces vibration caused by piston water pump.
- **Last step chemical injection.** Cleaning chemicals are added just as the water leaves the machine, helping to protect the water pump.

STANDARD EQUIPMENT

- Low profile 12" 4-jet S-bend titanium alloy carpet wand
- 2 x 15 m (50 ft) 6.3 mm (0.25") pressure hose
- 2 x 15 m (50 ft) 50 mm (2") vacuum hose and connector
- 1 x 15 m (50 ft) 19 mm (0.75") inlet water hose
- Complete installation and operator training
- Operation and service manual

Sapphire 370SS 2017

Truck mounted carpet & upholstery cleaning system

The Sapphire 370SS truck mount delivers maximum performance – in half the space. With an innovative design the Sapphire 370SS employs trusted components combined with ingenious use of space and heat exchange technology to simplify operation and maintenance and ensure the longest service life at lower cost. And with only 16" console width, the 370SS fits into the new generation of small vans.

FEATURES

- **Smallest cubic size in the industry.** Requires 50% less cubic space than other competitive models, freeing up precious van space.
- **Thermostatic control** allows complete temperature control up to 250° F / 121° C
- **Longer belt life.** Unique powered through-frame cooling system directs air over drive belts, extending belt life.
- **Intuitive control panel** simplifies operation
- **Last-step chemical injection** ensures peak performance from water pump system.

STANDARD EQUIPMENT

- 12" 4-jet S-bend stainless steel carpet wand
- 2 x 15 m (50 ft) 6.3 mm (0.25") pressure hose
- 2 x 15 m (50 ft) 50 mm (2") vacuum hose and connector

Sapphire 370SS 2018

Truck mounted carpet & upholstery cleaning system

The brand new 2018 370SS – Sapphire's bestseller now has a hot new look with carbon fibre-style details and a backlit front bezel plus all-new Cerakote® ceramic coating on all exhaust components to extend life and keep van interior cooler. The 370SS delivers everything that has made it the cleaning industry favourite: the hottest water and more vacuum than the competition and the best overall performance in its class. And the 370's space-saving profile is half the footprint of other truck mounts. Clean carpets, upholstery, hard surfaces – even do flood extraction – this versatile machine does it all.

FEATURES

- **Smallest cubic size in the industry.** Requires 50% less cubic space than other competitive models, freeing up precious van space.
- **Thermostatic control** allows complete temperature control up to 250° F / 121° C
- **Longer belt life.** Unique powered through-frame cooling system directs air over drive belts, extending belt life.
- **Intuitive control panel** simplifies operation
- **Last-step chemical injection** ensures peak performance from water pump system.

Peak 500 **NEW**

Dual operator truck mounted carpet & upholstery cleaning system

The new Peak 500 truck mount features Kawasaki's liquid-cooled 31 HP engine with digital fuel injection and enough heat and vacuum to run two 4-jet wands. Maximum heat is quickly available and the new generation power unit has low fuel use at only 3.78 L per hour making it the lowest cost fuel efficient machine in its class.

FEATURES

- **Fast warm-up period** and holds the heat using two wands.
- **Cerakote® treated exhaust** reduces radiant heat from exhaust components up to 30%.
- **Economical operation:** consumes only 3.78 litres of fuel per hour.
- **Stainless steel/copper finned tube coil design** with manual adjustment control. Also features a plate engine coolant heat exchanger to preheat incoming water and reduces engine coolant temperature.
- **Easy to use manual temperature control**

STANDARD EQUIPMENT

- Low profile 12" 4-jet titanium alloy carpet wand
- 2 x 15 m (50 ft) 6.3 mm (0.25") pressure hose

Apex 570 **NEW**

Dual operator truck mounted carpet, upholstery and hard surface cleaning system

High performance cleaning and restoration in a new design that will maximise your investment. With the powerful and reliable liquid-cooled Kubota petrol engine and the proven Gardner Denver TriFlow® Rotary Tri-Lobe vacuum blower, the Apex 570 is ideal for cleaning carpets, hard surfaces and flood extraction. Provides dual-wand capability for larger commercial jobs.

FEATURES

- **Quieter Helical Tri-Lobe HF 408 Blower** produces less vibration and ensures better dry times.
- **Through-frame drive belt cooling** significantly reduces downtime by extending belt life.
- **Cerakote® ceramic coating** on exhaust system minimizes heat and extends components' service life.
- **Patented thermal well design** incorporates tube-and-shell heat exchanger to maximize heat transfer from engine to solution.
- **Easy-to-remove access panel** and side hoods allows for quick service.

Everest HP

Dual operator truck mounted carpet, upholstery and hard surface cleaning system

The Everest HP represents the finest vehicle mounted cleaning unit available today. The Everest HP has a host of innovative design features including the exclusive E-idle system, chemical simulator valve, console illumination for night operation and the super smooth Tri-Flo vacuum generating an astonishing 650 cfm. The simplified multi-stage heat exchanger system provides constant hot cleaning solution with two wand operation fully adjustable up to 3000 psi for all types of carpet, upholstery, hard surface cleaning and pressure washing.

FEATURES

- **Exclusive e-idle™ intelligent idle-down system** saves up to 23% on fuel and reduces noise by automatically idling down when it senses the machine is not in use.
- **Gardner Denver TriFlow® positive displacement blower.** Outstanding vacuum for water restoration, dual-wand operation and long hose runs.
- **Single or dual wand operation.** Use with a single 2.5 in. wand or two 2 in. wands for large commercial jobs.
- **High pressure configuration** creates up to 3000 PSI for pressure washing
- **Prefilter box.** Easy clean up between jobs without opening waste tank.

STANDARD EQUIPMENT

- Carpet wand 30 cm (12") 4-jet S-bend stainless steel
- 3 x 15 m (50 ft) 6.3 mm (0.25") pressure hose
- 3 x 15 m (50 ft) 50 mm (2") vacuum hose and connector
- 1 x 15 m (50 ft) 19 mm (0.75") inlet water hose
- Complete installation and operator training
- Operation and service manual

Truck Mount System Accessories

Prochem sub-mount tank 227 Litre (60 US Gallon)

Designed exclusively for the Legend GT (Includes PC945232 Demand pump system).

Code PC240

Sapphire sub-mount tank 287 Litre (76 US Gallon)

Designed exclusively for Sapphire Rage and 370SS the space saving design boosts your fresh water capacity and saves room in your van. (Includes 12 volt Demand pump system).

Code SS372

Saddle tank UK 300 Litre

Designed to fit UK vehicles and fit over wheel arch for flexible installations alongside truck mount units in larger vehicles. (Requires PC945232 Demand pump system).

Code VS275

Demand pump system for fresh water tanks

Reliable 12 volt demand pump system automatically keeps your unit supplied with water at 40 psi and 3.8 gpm.

Code PC945232

Automatic waste pump-out system

Automate your extraction operations with a waste pump out system. Float activated 12 volt system automatically pumps waste water into any suitable drain connected to sanitary sewer for true continuous cleaning. For best results, use in conjunction with CDV Filter Box.

Code SS680

Revolution tile & grout tool

The all new Revolution tile and grout cleaning tool provides smooth operation, gliding easily over the floor surface for less operator fatigue. Lightweight - only 5.8 kilos - yet engineered for outstanding durability. Works on uneven surfaces like grouted tile or smooth surfaces like concrete. Can be used with truck mounts and portables operating in excess of 800 psi.

Code E275

Cleaning Wands

Sapphire titanium S-bend

High-strength ultra-light weight titanium construction to reduce operator fatigue. Four and six-jet manifold provides superior coverage. Smooth glide head surface with optional wand glides.

Code SS676 4-jet 30 cm 12"

Code SS677 6-jet 35 cm 14"

Sapphire wand glide

Reduce dry times and enjoy fatigue-free cleaning by equipping your cleaning wand with a precision-fit polymer glide. Polymer glides make the most out of the vacuum and airflow produced by your equipment and make cleaning strokes almost effort-free.

Code SS676G 30cm 12"

Code SS677G 35cm 14"

Prochem quad-jet S-bend

Prochem's premiere lightweight high grade stainless steel carpet wand has full flow vacuum design with a one piece stainless steel cast head. The polished head design has no overlap welds or potential sharp edges and has a super smooth wand slot surface to glide smoothly over carpet for less fatigue and increased productivity. 30 cm (12") 4 jet (all models).

Code Y230

Truck mount hard surface wand

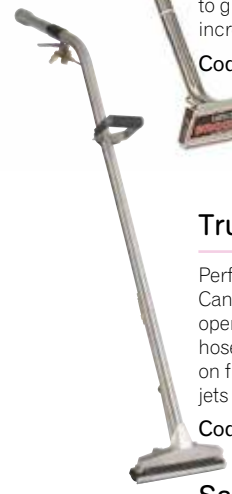

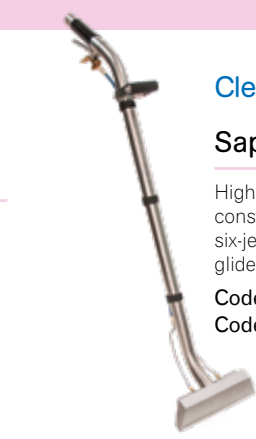

Perfect for hard surfaces, concrete, vinyl, tile, etc. Can be used with truck mounts and portables operating in excess of 800psi. Complete with 2" vac hose adaptor, 12" stainless steel head with squeegee on front face, 360 degree scrubbing brush, internal 4 jets and vacuum release thumb slide.

Code PC556

Sapphire HOSS 700

Engineered to maximize carpet cleaning performance and reduce dry times, the HOSS 700 cleans at 700 passes per minute. The HOSS 700 delivers solution at precise rates and agitates thoroughly to dramatically improve cleaning results. Plus, the down force created by the HOSS 700 combined with optimized vacuum flow results in maximum extraction, reducing carpet dry times by up to 30% compared to standard cleaning wands. 0.5 HP 230V 15 inch rotor cleans up to carpet edge. Full 2 inch vacuum flow with clear viewing tube – easily monitor cleaning progress. Low-profile cleaning heads designed for cleaning under furniture. Easily adjustable handle height.

Code SS67029

Hand & Upholstery Tools

Prochem truck mount stair tool

High quality tool for extraction cleaning stair treads and carpet edges. 17 cm (7") cast stainless steel head.

Code Y260

Prochem truck mount upholstery tool

Lightweight cast stainless steel with swivel head, pressure and vacuum adjustment and 3 m (10 ft) vacuum hose with internal solution hose.

Code Y281 (2")

Sapphire Upholstery Pro

Fast, fatigue-free cleaning – all day long! Now you can effectively clean a wide range of fabrics and carpet details with just one tool. Precision flow control allows for easy adjustments and the unique continuous flow design allows you to extract in both directions for the best clean possible. The Upholstery Pro will prevent over-spray on boxing and piping due to its enclosed injector spray design. Equipped with a trigger lock to reduce hand fatigue, the cleaning head is correctly angled and carefully balanced to reduce wrist, arm and back fatigue. The new design incorporates a lightweight but extremely durable see-through cleaning head. The Upholstery Pro is compatible with truck mounts and continuous flow extraction machines.

10 cm (4") head with 3 m (10 ft) hide-a-hose

Code SS679

Pressure washing gun

Comfortable grip and low-strain trigger ensure operator comfort. Durable brass fittings are equipped with high temperature seals for long life.

Code PC168

Injection sprayer

High pressure 250 - 1000 psi 1 to 9 dilution.

Code PC264

Hoses & Hose Accessories

High profile dual hose reel

Fully welded heavy duty hose reel. Stores 75 m (250 ft) of vacuum hose and solution hose.

Code SS681

Vacuum hose

15 m (50 ft) x 50 mm (2") diameter, non-crush.

Code Y029

Vacuum hose connector

50 mm (2") diameter.

Code X374

Solution hose

15 m (50 ft) high pressure.

Code X989

Solution hose with control valve

15 m (50 ft) high pressure.

Code X988

Corner guard

Protects internal walls.

Code HF2701

Hose hook

For hose storage or support.

Code HF2702

CDV filter box

The CDV filter system makes a valuable complement to your carpet cleaning system. A removable clear polycarbonate window allows easy monitoring of filtering progress – customers can see the dirt coming out of their carpet! A stainless lift-out filter cage captures debris and provides for simple cleaning. Interchangeable adapter plates provide an option of either two 2" vacuum outlets or a single 2½" vacuum outlet for single or dual wand operation.

Code SS683

equipment & accessories

Prochem has, for many years, specialized in the selection and testing of suitable ancillary equipment and accessories for the professional cleaner.

The equipment and accessory range includes interim carpet maintenance equipment, floor maintenance machines, vacuum cleaners, spraying and restoration equipment, carpet and upholstery cleaning accessories and brushes all of which are essential items required for use in conjunction with many of the machines and chemicals in this catalogue.

Fiberdri® TM4 Carpet dry cleaning system

The Prochem Fiberdri® carpet cleaning system now offers the professional and in-house carpet cleaner a cost effective dry maintenance cleaning method. Designed for use on all types of carpet, the machines use contra-rotating brush action to work the dry cleaning compound into the carpet pile.

The systems can be used in areas during working hours as the carpet is kept dry and the unit has a very low noise level. The cleaning and compound pick-up process is automatic with the Renovator system or can be completed by vacuuming to remove the soiled compound.

ORDER CODE

- CA3801 Fiberdri® TM4 complete with standard blue brushes
- CA3810 Blue standard brush for looped pile and velour carpet (2 required)
- CA3808 Black soft brush for wool, berber and deep pile carpet (2 required)
- CA3809 Brown hard brush for needlepunch and low profile carpet (2 required)
- CA3823 Renovator Kit TM4

Renovator Kit fitted

PRO 35 Dry & wet carpet & floor cleaner

The PRO 35 has the versatility to dry and wet clean carpets and floors all in one machine. With IPX4 wet cleaning certification the PRO 35 comes complete with renovator, brush covers, transport trolley and blue standard brushes. Soft carpet and hard floor brushes are optional. Use the PRO 35 on carpets in conjunction with Fiberdri® carpet dry cleaning compound or Procaps encapsulation spray cleaner. On studded rubber, PVC, safety flooring and all types of tiles and stone floors the PRO 35 can be used in conjunction with Prochem hard surface cleaners and the brown stiff floor brush or the black extra stiff floor brush.

FEATURES

- Compact design
- Stainless steel body
- Low noise level

CARPET

- Dry compound carpet cleaning
- Spray encapsulation carpet cleaning
- Pile lifting
- Dry soil removal

HARD FLOOR

- Floor washing
- Scrubbing / drying
- Tile and grout cleaning

Floor Pro Carpet & floor rotary maintenance machines

Versatile single disc rotary machines for bonnet buffing and shampooing of carpets and stripping, scrubbing, sanding, buffing and polishing of floors. The Floor Pro series incorporates an ergonomic handle with lever operated positional control and a choice of speeds to suit all types of carpet and floor maintenance.

Low speed for carpet bonnet and shampooing, floor scrubbing, stripping and buffing. Medium speed for floor sanding in conjunction with the optional suction kit and high speed for buffing and polishing all types of smooth floors. A 12 litre solution tank, suction kit, drive boards and scrubbing, polishing and shampoo brushes are optional extras.

FEATURES

- Choice of three single speed and one dual speed machine
- Heavy duty induction motor
- Safety start-up handle switch
- Satellite and planetary gearbox
- Low noise level
- Ergonomic design for smooth operation

SPEED SUITABILITY

- L10 – Carpet bonnet maintenance and shampooing, floor stripping, scrubbing and buffing
- M16 – Wood floor sanding (with suction kit), floor scrubbing, buffing and polishing
- H16 – Floor buffing and polishing

Rapid 380

Walk behind floor scrubber drier

The Rapid 380 E and 380 BC are the ideal walk behind scrubber driers for cleaning small to medium sized hard floor areas.

With a choice of mains power or battery versions they are quick and easy to clean both open and confined areas. The adjustable handle and well positioned intuitive controls make the cleaning of narrow and confined areas easy.

A large size tank cover provides for easy inspection and cleaning of the recovery tank which also has a built-in shut-off float.

Thanks to its ergonomic design, the handling of the machine remains constant during use, with solution gradually passing from the solution tank to the recovery tank. The brush is centrally positioned for cleaning right up to walls and skirting and the thermoplastic vacuum squeegee is unique in it's class.

The Rapid 380 E and 380 BC are supplied complete with floor scrubbing brush.

Furniture foam 'snap' blocks

Prevents rust and wood staining from heavy furniture on damp carpet.

Code WH4102 (per box of 360)

Foil furniture protector pads

Place under chairs and tables to prevent rust marks and wood stains.

Code WF3401 (per 1000)

Synthetic upholstery shampoo sponge

Soft sponge for foam shampoo cleaning of fabrics.

Code CN3604

pH test paper

Colour coded reel, pH 1 to 14. Helps determine acidity or alkalinity of stains and solutions.

Code BD3403

Furniture sliders

Make light work of moving heavy furniture. 4 large and 4 small sliders fit under furniture feet.

Code HD4001 (pack of 8)

Chewing gum perforator

Special unit for piercing gum for solvent removal.

Code CA3401

Bone spotting scraper

For removal of solids staining material.

Code PC4102

10 litre bucket

With handle, lip and volume markings.

Code CN3503W White
Code CN3503R Red

Chemical dispenser

Push-type 30 ml (1fl.oz) dispenser for 5L containers

Code CN3402

Black neoprene gloves

Protects skin from alkaline and acid detergents and most solvents (size large).

Code VI3606

Carpet & Upholstery Brushes

Spotting brush

Stiff natural fibre short bristle brush for spot and stain removal and tamping.

Code KE3401

Tampico upholstery brush

Soft natural mexican fibre hand brush for applying shampoo and pre-sprays to delicate upholstery fabrics.

Code PA3405

Nylon hand brush

Stiff synthetic fibre hand brush for general carpet cleaning applications such as stairs and edges.

Code PA3406

Platers brush

A natural tampico fibre short bristle brush with long handle, ideal for use on curtain and fabric pleat work.

Code PA3407

Velvet 'Boffin' brush

A soft metallic bristle grooming brush which is designed for use on velvet pile fabrics.

Code SD3401

Carpet brush 10" tampico

A small natural fibre carpet brush for application of shampoo and pre-spray on rugs and delicate fibres (head only).

Code PA3404

Carpet pile brush 18" nylon fibre

A purpose designed carpet brush which can be used for pre-spray agitation and re-setting pile (head only).

Code PA3401

Brush handle, 5 ft for PA3401 18" carpet pile brush (not shown).

Code HG3401

Grandi-Groomer carpet rake 12"

A lightweight carpet pile grooming rake which can be used for domestic areas.

Code PC3202

Grandi-Groomer carpet rake 18"

A commercial grooming rake which can be used to rake or loft pile prior to vacuuming and re-set pile after cleaning.

Code PC3201

Handi-Groomer carpet rake

A hand held grooming rake ideal for stairs and edges.

Code PC4201

Spraying Equipment

Trigger spray bottle

1 litre natural swirl neck (no dilution marks).

Code DL2101

Trigger spray head

Heavy duty blue / white, short cap with ergonomic pistol grip.

Code SP2501

McProper Plus sprayer

Versatile sprayer for use in any position. 500 ml fill with 100 ml measure scale. Works in sideways or 'upside-down' mode.

Code BM4305

Spray-Matic 1.25P

Pump-up hand sprayer with adjustable / directional nozzle. Ideal for spot and stain removal. 1.25 litre capacity with Viton® seals and safety valve.

Code BM4302

Spray-Matic 1.25N

Fabric pump-up hand sprayer fitted with 8002 fanjet nozzle, Viton® seals and safety valve. Suitable for application of fabric protectors.

Code BM4303

Foam-Matic 1.25E

Pump-up hand sprayer with foam nozzle. Ideal for application of carpet and upholstery shampoo and detergent cleaners for hygiene, vehicles and vertical surfaces. 1.25 L capacity with EPDM seals and safety valve.

Code BM4306

Rondo-Matic 5L

Impact resistant polyethylene tank with Viton® seals, stainless steel pump rod and spray lance, safety valve and 8004 fanjet nozzle.

Code CP4301

Clean-Matic 5P

Professional quality polyethylene sprayer with stainless steel lance, fanjet nozzle and Viton® seals. 5 litre capacity, suitable for application of pre-spray cleaners or protective treatments.

Code BM4304

Foam-Matic 5E

Professional quality polyethylene sprayer with foam lance and EPDM seals. 5 litre capacity, suitable for application of foaming high alkaline detergent cleaners for vehicles, hygiene and vertical surfaces.

Code BM4307

5L Stainless steel pressure sprayer

Professional quality sprayer designed for application of fluorochemical carpet protectors and other spray treatments. Top mounted hose fittings and separate filler cap. Fitted with 8004 fanjet nozzle, Viton® seals and pressure gauge.

Code CP3401

10L Stainless steel pressure sprayer

Professional quality sprayer – as 5 litre model but with 10 litre capacity and extendable coil hose

Code CP3402

Fabric protector applicator gun

With coil hose, 6501 stainless steel spray tip and fast coupling (fits CP3401 and CP3402 sprayers).

Code PR4001

Constant flow valve

Fits between end of lance and nozzle assembly to ensure constant pressure of 2 bar (29 psi). Suitable for use on BM4304, CP3401, CP3402 and CP4301 sprayers.

Code BM4301

REB 15 Battery sprayer

Re-chargeable 15 litre Li-ion 18V back-pack battery sprayer with variable pressure adjustment, stainless steel lance and 8004 fan nozzle. Fitted with fluorochemical and solvent resistant Viton® seals for application of carpet protector and pre-treatments.

Code BM4308

Spare Parts

Prochem carry a large stock of replacement spare parts for all of the machines and equipment illustrated in this catalogue, as well as parts which are common to many other makes of equipment. For advice and prices please contact your local distributor or alternatively order on line at www.prochem.co.uk

Vacuums

Vacuum motor 2-stage Reverse Fan

Fits Comet, Fivestar, Polaris and Supernova
Code E02521

Vacuum motor 3-stage

Fits all Steempro models
Code LA4501E

Vacuum motor 2-stage 6.6"

Fits Endeavor SX9000
Code E13723

Vacuum motor 2-stage 8.4"

Fits Endeavor 500 SX9500
Code E13796-1

Pumps

Diaphragm pump 85 psi

Fits Comet and Fivestar
Code E10763-1

Diaphragm pump 120 psi

Fits Polaris, Supernova, Galaxy and Steempro Powerflo.
Code PC809147

Diaphragm pump 150 psi with induction motor

Fits Steempro Powermax
Code E11764-2

Diaphragm pump 220 psi

Fits Steempro Powerplus and Endeavor SX9000
Code E13639-1

Miscellaneous Parts

Wand valve

New style with trigger.
Code CM5001

Female quick connect

Brass socket 1/4".
Code GU00102

Male quick connect

Brass plug 1/4".
Code GU00104

Waste tank gasket

Steempro Powerflo and Powermax.
Code E11124

Gate valve

Black ABS.
Code EN00711

Rocker switch

Illuminated, fits Steempro and other models
Code E02211-1

Expert training to suit your needs

With over 40 years of experience in running professionally recognised courses, our training programme covers all of today's key floor and fabric cleaning disciplines and more, giving you the skills you need to maximise your performance and drive your business forward.

Clear and practical, each course includes face-to-face instruction and step-by-step demonstrations by dedicated Prochem trainers so you gain the knowledge and confidence to clean to the highest professional standards. With each course, you will receive a comprehensive reference manual to help you put all that you have learnt into practice.

Course Booking Information

All training courses include coffee, lunch, tea, a comprehensive reference manual and training certificate. The numbers on each course are restricted.

All courses must be paid for at the time of booking, either online at www.prochem.co.uk or contact our Sales Department on 020 8974 1515, to pay by Maestro, Visa, Mastercard, etc. We regret that an administration charge of £20 will be applied in respect of cancellations made less than seven days prior to the date of the course, non-attendance and change of course date. Lunch will be provided on all courses, with a vegetarian option. Unfortunately we cannot cater for any special dietary requirements. Please ensure you inform us if you have any food allergies.

Reservations will be confirmed by letter and/or email and will include course timings. For up-to-date details of course content, scheduled dates and travel directions visit our website at www.prochem.co.uk or contact our Sales Department on 020 8974 1515.

All prices are per person and exclusive of VAT.

Training Course Dates 2019 Venue: Chessington

2-Day Carpet Cleaning

Aimed at cleaning newcomers as well as those wishing to improve their skills or set up their own cleaning business, this superb in-depth course incorporates all the theoretical and practical elements of our 1-day course on the first day, plus - advanced dye techniques, rug identification and cleaning advice, on-site surveying (practical), advanced stain removal methods, timing/pricing and insurance advice on the second day. The two days can be attended consecutively or at separate times, but it is necessary to have attended the first day or a C1 in order to attend the second day.

Code TRA-C2

CONTENTS INCLUDE:

Carpet conditions

- Soil levels
- Wear and fixings
- Soil types

Carpet cleaning methods

- Dry cleaning
- Low moisture methods
- Hot water soil extraction
- Combination cleaning

Carpet construction

- How to identify tufted or woven
- Carpet backings and related risks

Fibre identification

- Natural or synthetic and related problems
- Burr/fibre test

Chemistry of cleaning

- pH scale
- Correct use of products
- Dye bleed test

Stain removal

- How to test for solvent or water soluble stains
- Application techniques
- A-Z spotting guide

Special treatments

- Presprays/pre-treatments
- Extraction detergents/rinses
- Deodorisers
- Protectors
- Defoamer

How to carry out a professional inspection

- On-site survey
- Timing and pricing for profit

Rug cleaning

1-Day Carpet Cleaning

A comprehensive course for carpet cleaners, contract businesses and public sector operatives. This instructive and information-packed day covers carpet construction, fibre identification, approved cleaning methods, stain removal, protective treatments and much more.

Code TRA-C1

CONTENTS INCLUDE:

Quick reference guide to faults and cures

1-Day Stain Removal Course

This is an advanced course for those wishing to improve their skills in stain removal and who have already taken a 1-day carpet cleaning course or have a clear understanding of the chemistry of cleaning. An in-depth course, it incorporates a comprehensive overview of all the available stain removal products with hands-on practice in the correct application of these products. There will be brief revision of fibre identification and carpet and fabric construction and further guidance on sanitising, odour control and protector treatments for both carpets and upholstery fabrics.

Code TRA-SR1

CONTENTS INCLUDE:

Identification of stains

- Their origin and how they affect different types of fibres and construction.
- Asking the right questions.
- Assessing the extent of damage and likelihood of removal.
- Water soluble stains.
- Solvent soluble stains.
- Dye stains etc.

Chemistry of cleaning

- Understanding the importance of pH in stain removal.
- Testing the stain.

Stain removal kit

- Products, equipment and machines.

Comprehensive stain removal guide

- Hands-on practice.

Application techniques

- Basic application tips
- Advanced methods for difficult stains.

Further treatments

- Odour control
- Sanitising
- Protectors
