NEUTRAL PRO-SPOTTER

LABEL INSTRUCTIONS**Product Description & Directions for Use:**

A unique neutral pH spotting agent which is effective on food, beverage and most spots on carpet and fabric. Neutral Pro-Spotter can be used safely on any wet cleanable fibre or fabric. WOOLSAFE Approved maintenance product for wool carpets and rugs.

For professional and industrial use only.

Neutral Pro-Spotter is ready-to-use, no further dilution is required.

Always pretest carpet or fabric for colour fastness before proceeding.

Do not use on water sensitive fabrics.

Scrape up any surface spot material then apply Neutral Pro-Spotter directly to spot with spray applicator.

Blot with clean white towel or tissue. Do not rub.

Work from outside to centre of large spots.

Repeat if necessary, then rinse with clean water if required.

Brush fibres to align pile.

Neutral Pro-Spotter should be rinsed out after heavy application to carpet or fabric.
